

# Nomination as National Reference Laboratory for Measurement of Volume Flow (gas)

The Danish Agency for Development of Trade and Industry hereby announces that it has entered into contract with

**FORCE INSTITUTE**  
Navervej 1  
DK-6600 Vejen  
Denmark

concerning the establishment and maintenance of a National Reference Laboratory for the Measurement of Volume Flow (gas)

The contract has been entered on the basis of paragraph 10, part 1, cf. paragraph 16, part 4 of the Ministry of Industry consolidated act No. 84, dated February 22, 1993.

FORCE Institute is under an obligation to establish and to continuously maintain reference standards for gas flow at the highest national level of accuracy, following international recommendations.

The full contract is given in code 1987-725/000-37.

Copenhagen, April 28, 1995
